MEMORANDUM FOR ALL NEWCOMERS

FROM: 8 FW/CC  
Unit 2090  
APO AP 96264-2090

SUBJECT: Wolf's Welcome

1. Welcome Wolf Pack Warrior! Congratulations on your assignment to Kunsan Air Base, home of the Wolf Pack—the best fighter wing in the Air Force! I'm confident you will find your tour here to be the most challenging and professionally rewarding of your career. Our mission is dynamic, highly visible, and straight forward. To fight and win, we must Defend the Base (Hooah), Accept Follow-on Forces (Bring it), and Take the Fight North (Wolf Pack)!
2. Although we're dedicated to our critical mission here, we absolutely find time to enjoy many off-duty recreational and educational opportunities. Our on-base recreational facilities are second to none and we are constantly improving and expanding our services. We offer a variety of excellent tours to many cultural and historical sites in South Korea such as: the Demilitarized Zone, super shopping, specialty factories, theatrical performances, and sporting events. Educational opportunities abound with college- level and technical classes available as well.
3. The Korean people are warm and gracious allies who appreciate and support our mission. Their country is beautiful and rich in culture. Please take advantage of all your tour in Korea has to offer. Our base web page at <http://www.kunsan.af.mil/> abounds with more information about our home; tips for newcomers, and a glimpse at our mission; check it out. Also, make sure you read the Community Standards prior to your arrival.
4. Prior to arriving on the Korean Peninsula, you must complete mandatory United States Forces Korea training. This training is located at <http://www.usfk.mil/usfk/index.html?usfk/contents/training.html//>. In addition, a step-by-step instruction guide is included within your sponsor package to help you complete this training.
5. You will begin in-processing immediately after arriving at Kunsan AB. Personal appearance must reflect current Air Force standards. When you board your flight make sure you are clean shaven, your hair is groomed, and your jewelry is worn in accordance with AFI 36-2903.
6. For those of you arriving at Incheon International Airport, ensure you follow the directions provided in your sponsorship package or the procedures indicated on the Kunsan web page under "Newcomer's Information."
7. We look forward to working along side you as an integral member of the Wolf Pack team. Again, congratulations on your assignment.
